The Unique features of the Department are conducting Professional Training / Coaching to appear Bank Exam, NET/SET, ACA, Teaching Practice and Competitive Examinations. The students of Commerce Department excel in academic and co-academic activities.

## CONFERENCE THEME

Digitalization has become the buzz word in today's business world. Companies face pressures for a rapid transformation; however one must understand that each business transforms at different pace with different results. Technological transformation should be centred on optimizing operational processes, enhancing customer experience and augment business models. Digitalization of a business does not imply creation of a new business, but remodelling the existing business to take advantage of existing assets in new ways. Micro, Small and Medium Enterprises provides employment, production, investment and exports by which Indian economy is promoted.

The 2015-16 Annual report published by the Ministry of Micro, Small and Medium Enterprises, reports that India is the home to 51 million MSMEs. The report also states that MSMEs contributed 37.5 per cent of India's GDP and 37 per cent of the manufacturing output underlining their strategic importance to the Indian economy. Digitalization of Indian business is majorly driven by the fast advancing digitalization of consumers. This has led to increased data traffic and accelerated establishment of new tech-based start-ups to take advantage of the growth opportunities. Digitalization has a direct benefit on the performance of the Micro, Small and Medium Enterprises (MSME) sector of India. With this concern the department organises the National Conference on “Impact of Digitalization on Indian Economy – Issues and Challenges for MSMEs”.

## CALL FOR PAPERS

Papers on the sub themes and related topics are invited in the form of original research contribution that has not been published elsewhere in any manner. All papers are subject to screening and selection by the review committee and quality papers will be selected based on their originality.
