(05.10.2023)**

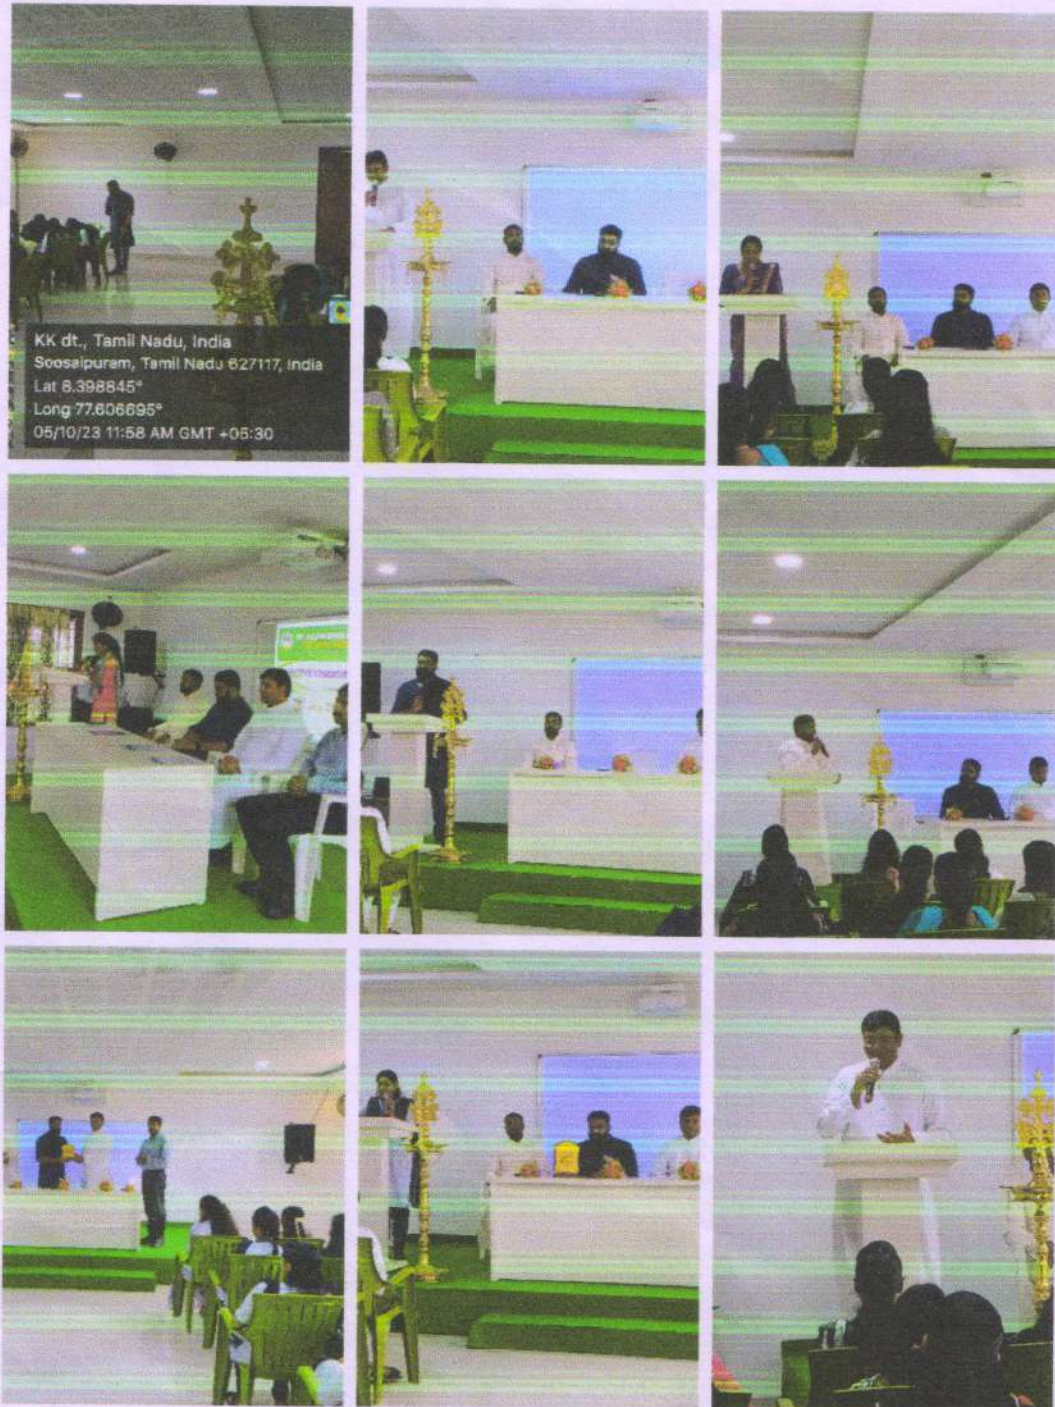

'Training is the life-blood of success in any field'

The Department of English conducted a One-day Workshop titled 'Effective Communication Skills' at the college campus on 05.10.2023. Dr. Arun Gladwin, Director of Vantage Point, was the Resource Person for this event. The Workshop which began in the Conference hall at 10am, was organized for markedly improving the confidence level of postgraduate students in the realm of communication skills.

There was a brief inaugural ceremony before the hands-on session commenced. The inaugural ceremony began with a prayer song that was sung by English Department students. Ms. Sangwin Rini (I MA class) welcomed everyone warmly. The felicitations were done in the presence of the Correspondent Very Rev. Fr. Antony Jose and Principal Rev. Dr. Michael Aro SDB. Thereafter, the dignitaries on the stage proceeded with the lighting of the ceremonial lamp. Next, the Principal Rev. Dr. Michael Aro delivered the presidential address. In his address, the Principal pointed out the inherent nature of communication skills. Later on, the Campus Minister Rev. Fr. Ajin Jose compared the teaching style of Lord Jesus with modern pedagogies while outlining the objectives of the Workshop to the postgraduate students of the English Department. Ms. Jemima Jorin, Asst. Professor and Fine Arts Coordinator introduced the Chief Guest to the audience in glowing terms. After the introduction, the Chief Guest Dr. Arun Gladwin delivered a riveting speech on the adaptability of Communication skills. Following his keynote address, Ms. Ashmi Reeja (II MA English) thanked the Chief Guest, Principal and Department staff for organizing the immensely beneficial programme.

In the training session which started at 11am, the students were put through their paces in a gamified scenario. Handouts as well as verbal prompts were given to the students by the Resource Person during the course of the session. On the whole, it was a highly productive session that provided the students with the much-needed awareness and requisite skills. The Workshop ended at 3.15pm in the afternoon.
